

LLC "ZALIZO"

Furniture metal supports and constructions

New opportunities of
Ukrainian Furniture Market

We offer:

- Office furniture
- Home furniture
- School furniture
- HoReCa furniture

Finished products as well as metal supports and related component parts for furniture

We are engaged in the production of metal furniture in a wide range. Our manufacture works in the format of B2B and B2C, producing metal structures using the best materials of leading steel-producers of Ukraine.

We specialize in serial production as well as development and execution of individual projects. We grant quantity discounts and loyal discount programs for our partners and regular customers.
